*Beauty. Harmony.*

*Symphony™*

*is pride in performance.*

A masterpiece of composite slate design with the timeless qualities of tooled craftsmanship, natural beauty, and harmony.

*Endurance.*

### **The Classics Redefined**

Enduring architecture deserves historic detail backed by contemporary building science. Symphony makes a stunning statement in good taste that recreates the craft of the slater's hammer with impeccable precision. Fine lines. Earthen tones. Gradations of stone on stone.

### **Technology In Tune with the Natural Surroundings**

Classic beauty.

Incredible strength.

Remarkable durability.

Symphony orchestrates the ideal cross between nature and technology with composite slate shingles, hips, and ridge accessories that outperform on ease of installation and resistance to cracking and cold. And all at a fraction of the cost of slate.

# A Custom Appearance

Symphony adds authenticity with standard 12" slate widths or multiple width bundles of 6", 9" and 12" widths and color blends that allow multiple installation options, including graduated and random patterns.

## A Quarry Of Colors

Symphony's authentic earth palettes provide the natural blends that reveal a timeless curb appeal. Colonial Gray offers highlights in gray with rich undertones. Capital Blend unites shades of plum, green and gray in a stately roofline. And Evergreen presents the heritage of a Vermont quarry in textures and contours of natural slate.

## Hip and Ridge Shingles - The Peak of Protection

When you start with Symphony, finish with flare. The full Symphony line includes hip and ridge accessories to complement and enhance the slate-inspired look of your new roofline.

# A Treasured Investment

## Slate Composite

Symphony is a specially-engineered composite shingle that very closely resembles natural slate, with a durability that exceeds other alternatives on the market.

- Excellent weathering capabilities for long life
- U.V. fade resistant surface technology for superior color stability

## Tough on Top

Symphony goes on solid and stays shatter resistant unlike slate that can shatter when walked upon or in cold weather. And with CertainTeed's 50-year limited warranty, you're assured your roof will perform for generations to come.

## An impressive slate of performance certifications

- 50-year limited, transferable warranty
- UL Class A fire resistance rating (with approved underlayment)
- UL 2218, Class 4 impact resistance rating
- ASTM D3161 wind resistance
- Available in 12" widths or multi-width bundles of 6", 9" and 12" slates

## Faster, More Efficient Installation

Symphony's advanced formulation is much lighter than slate. It's easier to install. There's less prep work and less of a chance that your property will be disturbed. And with its accurate nailing guides, you're ensured better alignment, consistency, and a perfect fit.

## Enjoy the extra confidence of SureStart™ Protection

Your Symphony warranty is strong on its own. But, you also receive the added confidence of SureStart™ protection. That simply means if a manufacturing defect occurs that directly causes leaks within the first 7 years, call us. Upon inspection, we'll cover labor and material replacement costs at 100%.

Builders and remodelers across America know certain things to be true of CertainTeed. For starters, we've been in the roofing business for over 100 years and we have thousands of satisfied homeowners. The process of building that satisfaction begins the moment you turn to us.

CertainTeed offers you the broadest range of color and style choices. But you'll see it's not style over substance. You'll get a roof that's made from the highest quality materials and backed by a strong warranty program. It's our promise to you: quality made certain, satisfaction guaranteed.

## Our Green Commitment

We've put green thinking behind our shingle and environmentally sound manufacturing ahead of standard industry practices to produce a product line that is green and growing.

CertainTeed is committed to resource conservation. Our roofing manufacturing facilities recycle close to 90% of the production waste into asphalt materials used for the construction of roads. We also integrate recycled content into many of our packaging needs including corrugated rolls and kraft paper.

They're small steps in a big world. But we're green and growing everyday. It's a commitment we take seriously at CertainTeed.
